

PRODUCT CHANGE NOTIFICATION

2/18/08

I would like to thank you on behalf of all of our Ramset staff, for being a valued Ramset distributor. Our goal is to provide you best-in-class products using technologies that Drive Jobsite Speed. We are passionate about finding the ways we can enhance and improve the overall experience for you and your customers.

To that end, I'm pleased to let you know about our new packaging for the T3ss electrical accessories. Electricians have quickly adopted the more durable, reusable, plastic packaging since its introduction. We will be transitioning to the new plastic packaging effective: **on March 17th**. This packaging upgrade will be treated as a running change.

Here are some things you need to know:

Part Numbers: *All products will continue to have the same part numbers and bar codes.*

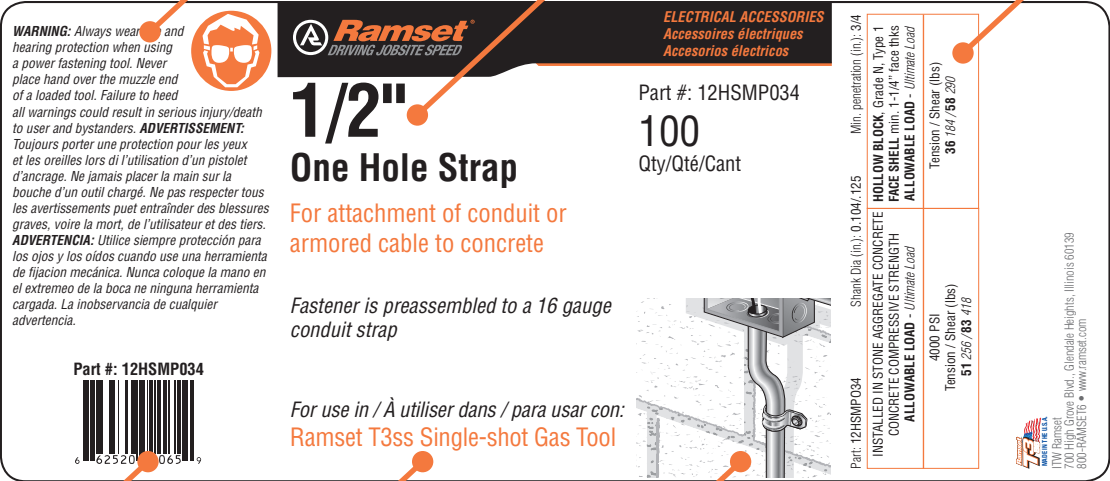

Quantities: *To accommodate new packaging, several parts have been affected regarding quantity changes for both individual and master carton packs. The following chart shows information that should be updated in your system:*

Current Part Number	Description	Old Quantity per pack	New Quantity	New Master Carton	Number of Plastic Jars per Master Carton
38HSMP034	3/8" HOLE STRAP W 3/4" PLTD	100	200	1200	6
12HSMP034	1/2" HOLE STRAP W 3/4" PLTD	100	100	800	8
34HSMP034	3/4" HOLE STRAP W 3/4" PLTD	100	100	600	6
10HSMP034	1" HOLE STRAP W 3/4" PLTD	100	100	600	6
114HSMP034	1-1/4" HOLE STRAP W 3/4" PLTD	50	25	150	6
38TRHMP034	3/8" ROD HANGER W 3/4" PLTD	100	100	800	8
14TRHMP034	1/4" ROD HANGER W 3/4" PLTD	100	100	800	8
12CCMP034L	1/2" CONDUIT CLAMP W 3/4" PLTD	50	50	300	6

As mentioned above, the packaging upgrade will be treated as a running change. During the transition, your Ramset customer service representative will be available to answer any questions you may have regarding quantity changes.

Thank you for your understanding and continued support as we strive to provide value-added products to you and your customers.

Sincerely,

Tom Colangelo
Electrical Marketing Manager
